

Certificate(s) of Calibration

Certificate Number
220308-00295-3425109

An ISO 9001 registered company.

REV: SVL 12/05/2018

Certificate Record 1 of 1

Printed 3/8/2022

Instrument Identification

Calibration Date: **Mar, 08 / 2022**

Company:

Recommended Due: **Mar, 08 / 2023**

Address:

Temperature: **(23+/- 5) DEG C**

Model: **00295-AC TESTER**

Humidity: **(20 to 80) %RH**

Serial: **3425109**

Customer Instrument ID: **3425109**

Test Procedure #: **802-5001**

Technician: **J.EI**

Order #: **F011614**

Calibration Location:
Ikonix

Remarks: **Instrument was calibrated according to manufacturer's specification.**

The instrument listed above has been calibrated using the standards traceable to the International System of Units (SI). Ikonix certifies that this instrument meets or exceeds manufacturer's tolerance limits as stated in the applicable test procedure (unless otherwise noted). The results reported below relate only to quantities of the item calibrated. There was no sampling used in this calibration.

Ikonix quality system is registered to ISO 9001:2015.

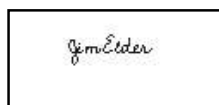

This certificate shall not be reproduced except in full, without the written approval of Ikonix.

Remar **Instrument was calibrated according to manufacturer's specification.**
